

"I want to see the light in the eyes of my guests and my team."

### Dear Shareholder TGBians,

It gives much pleasure to welcome you to the Annual General Meeting of your company.

I am sure you share my sense of satisfaction at yet another year of robust growth of your company. The performance is heartening given the challenging circumstances in the economy, especially in our industry & slow-down in India. Though we have consistently shown growth in top line, what concerns me is the bottom line of your company.

As mentioned earlier, we have struck to our positive business strategy by focusing on Banqueting – our 'niche' business model and will continue to pursue our goals by focusing more on M I C E (Meeting – Incentives - Conferences - Exhibitions) segment too, this coming year & the years to come too.

Your company this year is slated to open its managed and operated property in Nagpur – Maharashtra. As promised last year, you will be soon able to boast that we will have our TGB flags hoisted in Indore – MP (2014) and Udaipur – Rajasthan too.

One another business model TGB Express will soon be opening in Ahmedabad City – Gujarat as well as Vadodara – Gujarat. All these will be our franchisee associates, who have shown interest and faith in our management and hospitality.

I am sure this new vertical in expanding through franchise / managing operating model, will positively contribute to our bottom line.

I am eagerly looking ahead to good times with great enthusiasm & zeal as always. It is my belief that the tomorrows world belongs to those who create & nurture.

Though world class hospitality brands have checked-in in India, but your company is at safe crossroads that we have created a niche for ourselves in banqueting & conventions, and as a pioneer, we will ensure to remain ahead.

The journey to create a great banquet model will remain extremely challenging. MNC's have the benefit of vast resources that lend staying power over the long run. Yet it is important, not to relent & not to give up. Your company's abilities are second to none. It is important to harness there energies and stay ahead in this segment.

Your company has left no stone unturned to move ahead on this journey based on the strength of its convictions.

As we move towards new horizons, I draw strength from Team TGB & from their dedication to take your company to even greater glory in coming years.

As I conclude, I on behalf of the board and the employees of your company once again thank you, our valued shareholders for your continued support & encouragement.

### MANAGEMENT DISCUSSION AND ANALYSIS

#### HOTEL INDUSTRY'S POTENTIAL & GROWING PAN INDIA

The hotel industry comprises a major part of the tourism industry. Historically viewed as an industry providing luxury services valuable to economy only as a foreign exchange earner, the industry today contributes massively to direct and indirect employment generation.

Gujarat offers a model for economic progress and development for the developing nations, with Luxurious Lifestyle of leisure, pleasure, business and sports. Gujarat's six percent of total Industrial Production comes from textile industry. It is the largest producer (35%) and exporter (60%) of cotton and is the third largest Denim producer in the world. Hence there is certainly a great potential for footfalls in hospitality.

Gujarat is one of the fastest growing sectors in the State's economy is the Chemical sector. Well diversified, it has a complete portfolio of chemical products, including petrochemicals and downstream products, dyes and Intermediates. Also Gujarat is the hub of Pharmaceutical Industry; the most developed and cost competitive Sector with over 3245 manufacturing licenses and 42% of India's pharmaceutical turnover and 22 % of India's Exports.

Event based tourism, Adventure tourism and Eco tourism are the theme based tourism attractions with travel circuits, pilgrimage, theme parks, coastal cruises, health tourism, recreational, urban and rural tourism with culture and tradition.

#### TGB'S OUTLOOK AND OPPORTUNITIES

Today hospitality has evolved from the basic food and accommodation industry and taken a very important position in almost all businesses. In fact, it has become a huge industry and drives economies across the globe. The scope of hospitality/ service industry today is far more than one could have ever imagined a few years back. It includes hotels, motels, restaurants, bars, ships, airlines and railways. In the same breadth, catering can also regarded as an industry of its own, even though, it is a part of hotel industry. No wonder TGB has created a niche for itself by setting up a great, ever growing business model in catering.

Hospitality is deep-rooted in our traditions and comes as an integral part of our heritage. TGB brings over a decade of hospitality knowledge in developing, owning and operating room business, banqueting facilities, outdoor catering and foods & beverages. TGB also provides leisure / banquet hotels in Ahmedabad, Rajkot, and Surat and now on the anvil are grand expansion of 5 star hotels in Nagpur, Indore, Vadodara & Udaipur. It has also extended its business in metros like Mumbai & Delhi and endowed with executing outdoor catering services in foreign shores like Bangkok, Macau etc.

TGB has come up with a new concept of providing "Franchisee" after creating brand equity for itself. Furthermore, company is planning to come up with new projects in Ahmedabad – Mid-Town, "Lake City Udaipur", Nagpur, Indore, Nadiad & Vadodara.

The company has always concentrated on enhancing its quality standards in all varied services thereby attracting huge loyal customers in India and abroad. In spite of enormous competition, your company has coped up considerably with a budding hospitality sector, gaining admiration for expertise services throughout the country and abroad. By catering to sizeable quantity of clientele, it has expanded significantly and progression is continuous.

#### **BUSINESS OUTLOOK**

The hotel industry in India is having a tremendous opportunity in the future because of increasing trends in the tourism industry and government promoting the "Incredible India" campaign and other tourism promotion measures. The hotel industry in India is mix of many brand internationally established hotels having the scope to attract shares in the brand hotels which will help to expand the industry and the innovations in the industry is helping the hotels to retain the customers with them.

Though "Meetings, Incentives, Conferences and Exhibitions (MICE) tourism has not developed in the state because of the existing prohibition laws. We also lose out on domestic tourism which should be the mainstay of the tourism industry. At present, Gujarati tourists head to Daman and Silvassa in the south, Diu in the west and Mount Abu in the northern precincts of the state. The hospitality business is by and large only patronized by the corporate sector," But we at TGB are upbeat and confident about getting over this ambiguity too by enticing guests from corporate by providing the best of services to service this important MICE component and augment our sales, thereby profits.

#### **RISKS AND CONCERNS**

#### A. Dearth of skilled manpower & its solution

The hospitality industry has failed to retain good professionals because unavailability of quality workforce in different skill levels. Most of the hotel management graduates opt for other sectors like retail and aviation. Therefore, your company believes in nurturing its employees and encourages them to thrive and exhibit their abilities to the best and plans to create a platform of its own by venturing into in-house training.

### QUEST knowledge Centre

#### Quality. Understanding. Essential. Service. Training.

Quest is an initiative by veterans in Hospitality the TGB, who will assist in identifying and helping prospective work force to acquire these basic skills and are committed to achieve this mission by imparting, research and industry collaboration, thereby providing gainful confidence and then employment.

Its faculty members are recognized experts in hospitality deliverance. We explore critical trends in hospitality, undertake research regularly, and shape operating and strategic practices. Through our wide scope, we impart basic skills TO STAND TALL, and thereby create skilled work force for the world's largest and dynamic industry. It is the TGB's way of giving back to the Industry through QUEST!!! A Community Social Responsibility initiative by TGB!!

With Gujarat gaining popularity as a tourist as well as commercial destination, the industry is poised for a tremendous growth. To reinforce the growth in hospitality and to supplement its need for dynamic and skilled work force, Quest aspires to provide the trained manpower and set a benchmark. It has very unique teaching methodology like 'Role Playing', 'Live It Up', Enjoy as U Learn, B/L Method, and Attitude- Aptitude- Action and so on.

Quest looks forward to working collectively with the Industry, the teaching fraternity, the new aspirants who want to join this dynamic industry and of course, the already employed work force who wish to upgrade their knowledge and skills.

### B. Upsurge in Hotel Keys

The number of rooms too has shot up substantially. There are total 64,000 rooms in the state today as compared to 48,000 in 2010. "This has been the highest increase in tourists for any state. Considering the inflow of tourists, total number of hotel rooms in the state is expected to go up to 1 lakh by 2017,"

The initiative by the Government to bring in investments and tourists to the state has not benefited the hotel industry. Hotel occupancy rates have dipped by almost 15 per cent this year as compared to the previous year. According to the Federation of Hotel & Restaurant Associations of India (FHRAI), hotel occupancy rates have fallen to 52 per cent as compared to 67.6 per cent in last year.

We at TGB will continue our determined focus in our forte - The Food & Beverage segment, and target the unmanned segment of MICE.
